Saving
more than
€ 1,000,000
each year*

Reducing helicopter flying hours – improving training outcome.

Cost comparison: Real-life training vs. ViSTIS® Flight Deck Officer Simulator.

Helicopter flying hour	€ 20,000
FDO-training – current flying hours per trainee	12 hours
FDO-training – flying hours with simulator per trainee	6 hours
Annual cost savings with a reduction to 6 flying hours using FDO-training	$(6 \text{ h} \times 10 \text{ trainees}) \times € 20,000 = € 1,200,000$
